Why does the M.C want 250 Copies to be printed ?

Would it not be desirable if the Kannada Translation has been made and given in his opinion about the draft Sanitary manual should be printed. ?

5 I have gone through the draft manual and I think it is desirable to get it printed as it serves a very useful purpose. I have also made some corrections here and there with regard to the language. It is better if Mr B. Ramaiya is requested to go through the proofs before copies are finally struck.

6 On page 246, the word "ಹೀಗೆ ಬರೆದ" occurs a number of times and at one of the places where it occurs, it has been changed to "ಈ ರೀತಿ ಬರೆದ" by Dharmadarsis. In case the alteration is to be accepted, it becomes necessary that a similar alteration should be effected at other places as well - on that page. On page 251, the Dharmadarsis have introduced a marginal correction which suggests a material alteration; and as such it is desirable that Mr B. Ramaiya goes through the proofs before copies are printed.

Sir,

I have the honor to submit herewith the draft manual for the temple of Sri Chamarajaswaraswami at Chamarajanagara detailing the several nityakatle and Melch katle services therein prepared by Mr.B.Ramaiah who was specially appointed for the purpose. The manual was read chapter by chapter at a meeting of the Dharmadarsis, held on 24th ,25th and 26th September 1929, important temple servants and other devotees and presided over by the S.D.O of Nanjangud and approved by them with slight modifications. The few modifications suggested as above and also the re-arrangement of Melchukatle services in the order of their occurrance -- have been incorporated in the manual. The Deputy Commissioner, is of opinion that the manual may be adopted(vide copy of letter dated 13-11-29 enclosed).

2. I beg to recommend that the manual as now prepared may be approved and the Superintendent of the Government Printing authorised to print 250 copies of the same, 100 copies being sent to this office for distribution and the balance kept for sale at the Government Book Depot, Bangalore,

3. The file of vernacular papers is enclosed for reference and kind return.
